

MOONSHOT PRAYER

From 1 Kings 18:36-37

Today we declare that You are Lord.

*Like Elijah, we confess that You are God,
and we are not.*

You are the King, and we are Your servants.

We ask that You help us:

*To see the unseeable—fill us with wisdom
and direction.*

*To believe the unbelievable—help us with
our doubts and fears.*

*To do the impossible—give us strength
and courage.*

*Do these things, we pray, so that we and
everyone around us will know that You are
God, and so that people's hearts will turn
to You.*

*In Jesus' name,
Amen*
