

Theology Threads | Season 3: Episode 10 Notes | Can Science and Faith Coexist?

Summary

How can faith and science work together? This week on Theology Threads, Dr. Brian Jenkins and Pastor Miles Langrock are joined by Dr. Jason Streubel to answer this question. Also known as "Dr. Dirt", Dr. Streubel is a soil scientist, equipping missionaries and farmers all across the world with Convoy of Hope to use agriculture to share the hope of the Gospel. If you have ever questioned if Christians can believe in science, this episode is for you! Make sure you are subscribed and following us wherever you get podcasts and social media to stay up to date with season 3.

Reflection Questions

Have you ever thought science and faith conflict with each other?

Do you feel like you can better understand science as a Christian after listening to Dr. Streubel?

What cool scientific fact do you think points to God's intelligent design?

If you could share one point from this episode with someone, what would it be and who would you share it with?
