### Reflection Questions

Using the Wesleyan Quadrilateral framework of Scripture, Tradition, Experience, and Reason, where do you have "heard" God most clearly in your life so far?

How do you feel like God has "shepherded" or guided you in ways you may not have realized at first, but looking back you can see now?

When you feel like God is guiding you towards something, is it easy or difficult to follow Him?

If you could share one point from this episode with someone, what would it be and who would you share it with?
