### Reflection Questions

Is there an aspect of Christianity that has felt too far to grasp, like how the Corinthians thought there was a secret wisdom they needed to attain?

Have you ever found yourself listening to non-Christian voices in your life or social media, more than you are listening to the Spirit and other Christians empowered with the wisdom of the Spirit?

How did the Spirit bring Christianity to you in a way that made you accept it? Was it through an experience? Was it through an intellectual argument? Was it through the Bible or a message from a pastor?

If you could share one point from this episode with someone, what would it be and who would you share it with?
